

SUPPLY LIST:

Course: EXJW 009X1 – Fold forming
Instructor: Charles Lewton-Brain
Date: Monday – Thursday, June 30 – July 3, 2008
Time: 9:00 am – 5:00 pm

Required for first class:

- Notebook
- Pens
- camera for recording samples.
- Solder and soldering equipment and supplies.
- Silicon carbide separating discs, and flex shaft screw mandrel
- Safety goggles and ear plugs or muffs
- Hammers and mallets. Best are forging and raising hammers.

Required for Remaining class:

Estimated Total Cost of Supplies: Cost will depend on if student buys or borrows the equipment from the department

Additional Notes:

Note that if a student does not have the above, the program can provide them on loan for the duration of the workshop.

Students: Occasionally Extended Studies must change an instructor from what was advertised. Because that may cause a change to the course supply list, we recommend that you wait to purchase supplies for your first night until about one week prior to class start and that you purchase your remaining supplies after your first class (unless your course is a weekend workshop).

BOOKSTORE / SUPPLIES Lower Level (284-7660)
